

CERTIFICATE

— OF SOCIAL IMPACT WORK —

This certificate is presented to

Rodrigo Pacini

For public contributions as a Quality Assurance Analyst during the community review stages of Project Catalyst, contributing to educational awareness of impact-oriented funding within the Cardano ecosystem. This work was conducted across 11 funding rounds between 2020 and 2025 and involved the quality assurance evaluation of thousands of peer proposal reviews in a decentralized innovation fund. These efforts supported a more transparent, reliable, and community-driven decision-making process. Total work time: 300 hours.
